

Besides the nets that I run during the week (see the appropriate file), here are other nets that N5VLZ checks into each week, schedule permitting. My checkin to these nets is NOT guaranteed. These nets may be canceled at various times. This file was last updated on June 26, 2025.

Go to <http://www.wx4qz.net/elk.htm> for net lists of D-Star, D-Rats, and Echolink Nets in Excel or PDF format, in the 4 US time zones, as well as several ham radio PDF files. My email is good on QRZ if you have questions. 73, and I hope to hear you on the air.
